As we are all aware, Phase One of the Army Corps of Engineers Flood Protection Project has begun with the construction of the Eastern groin (jetty). The Construction of the Western Groin is to begin around the same time as the sand placement which is scheduled to start in mid-July in the area of the existing groin at Florence Avenue.

As always, you can find additional information and upcoming schedules on our Borough website at www.ubnj.net

Unfortunately, due to the Army Corps Project, we cannot have our Fourth of July Fireworks show this year. The Fireworks display WILL return in 2024 bigger and better than ever!

We also have these upcoming events:

- The UB5k Run on June 24th sponsored by the Union Beach PBA Local #291.
- Union Beach Recreation will have their Annual Summer Kick-Off at Scholer Park on Friday June 23rd with music and activities; then every Wednesday thereafter during the summer.
